Hi! Here's another postcard  
for your growing collection!

I'm having a great time at  
the beach, esp. watching the  
guy staying across the street!  
I can't wait till Monday (24th)  
to see how much mail I've  
received since the 15th. I  
certainly won't be bored when I  
get home! Went to the aquarium  
yesterday - got to see baby sharks  
& lots of different types of fish.  
We're going to the amusement  
park tonight. I played miniature  
golf (on a grass course) w/ the boys  
I lost 4, & I trade a hole in
